

# CERTIFICATE OF PARTICIPATION

**BRUNO GIDEON BERGHEIM**

successfully took part in the workshop

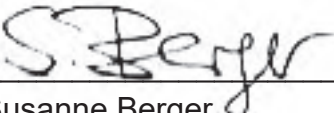

## **HOW TO DESIGN SCIENTIFIC FIGURES (IN THE NATURAL AND LIFE SCIENCES)**

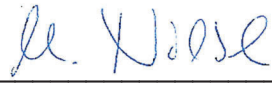

conducted by the Graduate Academy of the University of Heidelberg on the 25<sup>th</sup> and 26<sup>th</sup> of February 2021. The course duration was 13 hours.

The course covered the following topics:

- Basic design rules and how to apply them in the design of scientific figures (presentation and group discussion)
- How and why these design rules positively aid in understanding the message of a figure (comparison and discussion of figures).
- How figures can be improved (trainer input and practical exercise).
- Different color palettes, where to find them, and how to use them (practical exercise).
- You can identify suitable diagram types / visualizations for your data (group discussion, practical exercise).

Heidelberg, 26<sup>th</sup> February 2021
